WEEKLY LOG, OFFICE OF INTELLIGENCE COORDINATION

Deficiencies in SE-27

A series of discussions were held to determine action required to improve the indexing, translation, and exploitation of material on Communist China. OIC is now preparing recommendations based on reports submitted by OCD, FDD, and State.

Scientific Intelligence Collection

Members of the IPC met with FI to discuss Navy proposal regarding improved scientific intelligence collection through unique proposal [REDACTED]

[REDACTED] (separate memorandum of conversation coming to DD/I from CIA alternate on IPC, [REDACTED])
